Several months ago, the Charlotte FBI field office received a lead from New Orleans FBI concerning a credit card purchase in the name of KEVIN GUNTARP. GUNTARP's credit card had been used for payment to internet websites offering child pornography.

child pornography on his computer.

A complete forensic examination revealed that GUNTARP's computer contained nearly 2000 images of CP, including known victims. In addition, SA Rich Novelli determined that on June 11, 2007, GUNTARP deleted a folder that contained most of the CP however, it remained on the computer's hard drive. The forensic examination also revealed that much of the CP was received, that is, the files were created on September 29, 2006.

Subsequently, the images were examined by an investigator with the Child Victim Identification Program of the National Center for Missing and Exploited Children. The examination confirmed that there were "known victims" among the images of child pornography possessed by GUNTARP.

_____This the 11th day of July, 2008.

Respectfully submitted,
